MAJOR ACHIEVEMENTS

- Top Performer, Customer Satisfaction Survey – American Express, Q1 2021
- Best Quality of Work – Two Quarters, American Express, 2019
- Excellence in Customer Service – American Express, 2019

WORK EXPERIENCE

Unravelapp.com (Unravel Technologies Ltd) | Manager – Customer Delight | 09 Dec'2024 –10 Apr'2025

- Managed APAC and Middle East-based customers who utilized the travel app and their reservations.
- Handled customer escalations via phone and email, ensuring timely and effective resolution to maintain service quality and client trust.
- Used offline booking on OTA platforms in the event of an emergency or escalation to provide immediate alternatives.
- Designed and implemented customer experience strategies across both digital and physical travel touchpoints to ensure a seamless and high-touch service.
- Introduced new customer segmentation models to tailor service offerings and communications to different traveler profiles.
- Led weekly performance evaluations with team members and management to review feedback, resolve service issues, and optimize workflows.
- Developed an SOP framework for managing service scenarios, enabling fast and consistent onboarding of new hires and standardizing client interactions.
- Collaborated with product and loyalty teams to deliver premium experiences through exclusive deals, curated add-ons, and personalized recognition.

TheSqua.re Serviced Apartments (Modern Growth Technologies PVT LTD) | Concierge Manager (My Square) – United Kingdom (Remote)|27 Nov'2023 – 28 Nov'2024

- Oversaw a team of concierge representatives serving guests across 100+ serviced apartments in the United Kingdom (London & Manchester), Europe (Paris, Rome, Italy, Switzerland & Germany), USA (New York), Middle East (Dubai, Abu Dhabi & Saudi Arabia), and Far East countries (Singapore, Malaysia, Hong Kong, Japan & South Korea).
- Acted as a key escalation point for VIP and high-touch clients, managing urgent concerns via phone and email, ensuring timely resolution, and protecting brand reputation.
- Standardized service quality through monthly recognition programs, daily shift huddles, and KPI-driven performance dashboards.
- Supervised multiple vendor partnerships, led quarterly reviews, renegotiated contracts, and improved cost-efficiency without compromising service quality.
- Curated tailored local experiences, including reservations at Michelin-starred restaurants, self-driven car rentals, standard/premium/luxury travel packages, event tickets, wellness appointments, and essential service deliveries.

- Proactively addressed service escalations, using a guest journey mapping tool to identify gaps, resulting in a measurable decrease in complaints and a smoother end-to-end guest experience.
- Piloted a subscription-based concierge program, leading to increased ancillary revenue and client engagement.

American Express | Customer Service Analyst | 11 May'2018 – 15 May'2023

- Delighted High Net Worth and Ultra High Net Worth individuals, including Platinum Charge Card and Centurion Card members, by creating exceptional new bookings and managing complex existing travel arrangements.
- Delivered world-class customer service in an inbound, high-volume travel call environment while maintaining discretion and service precision.
- Managed customer needs through consultation, providing personalized, innovative, and extraordinary travel experiences.
- Researched, planned, and booked end-to-end domestic and international travel—including flights, hotels, car rentals, and ancillary services using GDS - Sabre
- Built strong relationships with HNI clients and luxury brands to understand and fulfill lifestyle preferences, travel patterns, and long-term service goals.
- Supported clients with travel documentation such as visas and insurance, staying updated on travel advisories, regulations, and global events.
- Handled escalated service issues via phone and email with urgency and empathy, achieving timely resolutions while maintaining client trust and brand integrity.
- Administered client satisfaction surveys and contributed to a sustained satisfaction score, reinforcing customer loyalty and retention.
- Mentored and coached team members, managed high-level escalations with poise, and balanced multiple service requests in a fast-paced, high-pressure environment.
- Excelled in luxury travel, event coordination, fine dining, and bespoke concierge services—always prioritizing client satisfaction and operational excellence.
- Examined and settled cardholder disputes about goods, services, transactions, invoices, or claims.
- Maintained clear and professional communication with customers throughout the dispute resolution process
- Identified patterns or trends in disputes to provide insights into underlying issues, operational inefficiencies, or areas for improvement.
- Ensured that dispute resolutions adhere to company policies, legal requirements, and industry standards
- Suggested improvements to dispute handling processes, based on feedback or analysis, to enhance efficiency or customer satisfaction.
- Handled escalated disputes from customers who are dissatisfied with the initial resolution
- In some cases, negotiated discounts, refunds, or other solutions to ensure customer retention while balancing company policies.
- Collaborated with international vendors (e.g., billing, legal, sales) to gather information or escalate complex issues.

Cox and Kings Ltd | Senior Executive Travel Operations | 12 Oct'2015 – 16 Jun'2017

- Managed and oversaw operations for Outbound Group Tours, including reservations, ticketing, customer service, and vendor management, driving streamlined processes and cost reduction initiatives.
- Developed and executed operational strategies, implemented process improvements, and established performance metrics and KPIs to enhance efficiency and ensure compliance with industry regulations and quality standards.
- Cultivated strong partnerships with airlines, hotels, and other travel suppliers, negotiated contracts, and secured preferential rates to support Sales Agents and central operations.
- Addressed escalated customer issues, coordinated with the accounts department for payments/remittances, and supervised deposit collection, balances, and VISA processing documentation to consistently meet revenue and profit targets.

Carlson Wagonlit Travel (CWT) | Travel Counselor (US and Australia) | 05 Apr'2012 – 27 Mar'2013

- Efficiently managed corporate travel arrangements for prestigious clients such as HP, Accenture, Oracle, Adidas, Reebok, Facebook, and Radisson across India, Australia, and the United States.
- Established and nurtured long-term partnerships with key travel vendors including airlines, hotels, and car rental agencies, resulting in negotiated favorable rates and personalized services.
- Conducted regular analysis of travel expenses, leading to a 15% reduction in overall travel expenditure through process enhancements and cost-saving opportunities.

- Addressed travel-related challenges and ensured seamless client relations, delivering exceptional customer service in the intricate US market by proficiently managing ticketing, reservations, exchanges, and cancellations.
- Utilized advanced travel management systems and collaborated with team members to consistently meet Service Level Agreements (SLAs) and maintain policy compliance, resulting in heightened operational efficiency and enhanced traveler satisfaction.
