WORK EXPERIENCE

✓ **Data Processing Expert (Business Intelligence Team) UNICEF INDIA, Persolkelly Pvt Ltd (Third-party payroll) | New Delhi | May 2021 – May 2025.**

I was responsible for generating reports using Power BI and Salesforce Dashboards. I manage online donation data from platforms like PayU, SCB, Stripe, and Bill-Desk. I also update PAN India Signup reports and prepare retention and acquisition reports for different locations.

1. **Cancellation Data Management:** Update cancellation data in platforms like Stripe and Salesforce.
2. **Online Missing Transaction Reports:** Resolve queries related to missing transactions from all agencies.
3. **Downloading Online Data:** Download online donation data from different payment gateways, including PayU, SCB, and Bill-Desk.
4. **PAN India Signup Reports:** Prepare and update PAN India Signup data & Reports on a regular basis.

5. **Retention and Acquisition Data:** Prepare data and upload Prole ads and generate reports for different locations regarding F2F, Retention and Acquisition team.
 6. **Daily Query Resolution:** Resolve other queries that arise daily.
-  **Payment Collection Team Leader – Clix Housing Finance & Bajaj Finance**

July 2020 – May 2021

Follow-Up on Payments:

- Contact customers via calls, emails, or visits to remind them of due payments.
- Maintain regular follow-ups until payment is received.

Record-Keeping:

- Maintain accurate records of customer interactions and payment status.
- Update internal databases with payment information and follow-up notes.

Negotiation:

- Negotiate payment plans or settlements within company guidelines.
- Resolve customer issues related to payment delays.

Coordination:

- Coordinate with the sales, accounts, and legal teams for payment-related matters.
- Escalate unresolved cases to higher management when needed.

Reporting:

- Prepare and share daily/weekly/monthly collection reports with supervisors.
- Track and analyze collection performance.

-  **MIS Coordinator – Save the Children**

Feb 2011 – Mar 2020

- Managed donor database using Raiser's Edge.
- Processed online donation forms from multiple payment gateways.
- Ensured timely reconciliation of pledged/one-time donations.
- Created PAN India reports and managed archival of donor forms.

-  **Field Supervisor – Serco BPO**

June 2009 – Jan 2012

- Supervised field operations and ensured compliance with quality and safety standards.
- Managed team performance, client coordination, and inventory documentation
- Site Management: Coordinated and monitored on-site work.
- Quality Control: Maintained high-quality standards and safety compliance.
- Reporting & Documentation: Maintained logs and progress reports.
- Client Interaction: Acted as the point of contact for on-site clients.
- Problem Solving: Resolved issues in the field efficiently.
- Training & Development: Guided and trained field staff.
- Inventory Management: Managed tools, materials, and equipment.
- Compliance: Ensured legal, safety, and environmental regulation adherence.
