Commercial Head & Senior Accountant– Mannai Corporation (Year October 2001-April 2015.) – Qatar, Russia.

With over 14 years of progressive experience at Mannai Corporation, a diversified group with interests in Trade, Services, and Real Estate, I've demonstrated a strong track record in commercial leadership, financial management, and operational oversight. My roles spanned from managing comprehensive real estate negotiations and international joint ventures to hands-on credit control and debt recovery.

Key Experience & Achievements:

- **Commercial Leadership & Real Estate Management (July 2004 – January 2015): RUSSIA**

- As **Commercial Head** for JSC Mannai Moscow Enterprises (a joint venture with Moscow Scientific and Research Centre), I managed complete negotiations for real estate business, including lease and sublease property.
 - Coordinated effectively between the Russian partner and Head Office, ensuring smooth international operations.
 - Oversaw banking relationships and controlled the finalization of Russian accounts, including in-depth analysis of VAT and Profit Tax reports.
 - Managed logistics and warehouse controls, optimizing inward processes with forwarders and delivery systems.
 - Provided comprehensive monthly reports to management, meticulously controlling debtors and cash flow.
- **Financial & Credit Control Expertise (October 2001 – July 2004): QATAR**
 - As **Senior Accountant in Credit Control and Debt Recovery**, I evaluated customer credit status, maintained accounts, and diligently followed up on outstanding receivables.
 - Prepared critical monthly reports on outstanding balances and receipts, and conducted reconciliations of receivables and payables ledgers.
 - Successfully resolved disputes through direct customer visits and initiated offsets of receivables against payables, including inter-group company adjustments.

Accountant in Finance & Billing department.

Techno Electric and Engg Co Ltd. (May 1996 to September 2001)

www.techno.co.in

- Billing Accountant: Invoicing the customers after verification with the project site in charge, project-wise reconciliation, monthly sales & payment report, preparation of a monthly project to be submitted to clients, preparation of MS report.
