Key Responsibilities:

- Promoted a diverse product portfolio including rice, oils, lentils, flours, spices, and biscuits to independent grocery stores and supermarkets.
- Conducted in-person sales visits across multiple regions, building strong, trust-based relationships with store owners and purchasing managers.
- Identified new sales opportunities and converted them into long-term business accounts, contributing to regional growth targets.
- Processed and managed customer orders, coordinated deliveries, and ensured after-sales support.
- Gathered market intelligence and client feedback to inform internal teams and support product development.
- Represented the brand with professionalism, cultural sensitivity, and in-depth product knowledge across diverse communities.

Key Achievements:

- Consistently exceeded monthly sales targets and KPIs.
- Expanded retail footprint in underrepresented regions.
- Strengthened repeat customer rate through excellent service and follow-up.

Oct 2024 - Mar 2025

Business Owner

Phoenix logistics services limited

I have direct experience managing logistics operations through my role as Director/Coordinator at Phoenix Logistics Services Ltd. In this position, I:

- Supervised daily logistics operations, ensuring all deliveries were executed on schedule and met quality standards.
- Coordinated with drivers to optimize delivery routes,

reduce delays, and maintain high customer satisfaction.

- Oversaw parcel loading and sorting to guarantee accurate distribution and prevent delivery errors.

- Trained new drivers on the DPD Saturn system, ensuring quick adaptation and efficient operational integration.

- Acted as the key communication link between drivers and management for all route and delivery-related queries.

Mar 2024 - Nov 2024

Business Owner

Bennitos 2024 Ltd

As the Owner and Manager of Bennitos 2024 Ltd, a café business, I was responsible for end-to-end operations over a 9-month period. My key responsibilities included:

- Managing daily operations, ensuring smooth workflow and consistent customer service excellence.

- Leading a team of six staff members, handling recruitment, training, shift scheduling, and performance supervision.

- Overseeing inventory management, procurement, and supplier coordination to ensure timely stock replenishment and cost control.

- Maintaining high standards of food quality, hygiene, and safety in compliance with local health regulations.

- Preparing and serving a variety of hot and cold beverages, including mastering espresso-based drinks and latte art.

- Addressing customer feedback and resolving complaints effectively to maintain a loyal customer base.

- Managing financial aspects such as budgeting, daily cash flow, and expense tracking to ensure profitability.

- Implementing local marketing strategies to drive footfall and promote brand visibility.

This role strengthened my leadership, multitasking, and business management skills, and provided me with hands-on experience in operational logistics, people management, and customer engagement.

May 2023 - Mar 2024

Field Sales Executive

Lyca Mobile

At LycaMobile, I worked as a Field Sales Executive, focusing on direct sales, client acquisition, and market expansion. My responsibilities included:

- Prospecting and onboarding new customers while nurturing relationships with existing clients to ensure retention and repeat business.
- Exceeding individual sales targets by leveraging market knowledge and a customer-focused approach.
- Conducting market research to identify sales opportunities and tailoring sales strategies accordingly.
- Delivering persuasive product presentations and negotiating contracts to close high-value deals.
- Maintaining detailed records of customer interactions, feedback, and transactions to support strategic decision-making.
- Collaborating with internal teams to ensure smooth post-sale support and customer satisfaction.

This role sharpened my skills in B2C sales, communication, negotiation, and strategic outreach in a fast-paced, target-driven environment.

Aug 2021 - Nov 2022

Retail Assistant

Maqbool Halal Supermarket

As a Retail Assistant at Maqbool Halal Supermarket, I was responsible for supporting day-to-day store operations and ensuring excellent customer service. Key responsibilities included:

- Assisting customers with inquiries, product recommendations, and locating items to enhance their shopping experience.
- Operating the cash register, handling payments, and processing transactions accurately and efficiently.
- Restocking shelves, managing inventory, and checking product expiry dates to maintain availability and freshness.
- Maintaining cleanliness and hygiene across the store, in line with food safety and health regulations.
- Unloading deliveries, sorting stock, and organizing merchandise on the shop floor.
- Resolving customer complaints professionally and ensuring high levels of satisfaction.
- Working collaboratively with the team to meet daily sales and operational targets.

Jun 2020 - Jul 2021

Vice President Sports & Societies

Edinburgh Napier students Association

Elected with a majority of 481 student votes, I served as the Vice President for Sports & Societies at Edinburgh Napier Student's Association, leading key student initiatives and organizational development. My responsibilities included:

- Leading the development and support of student sports clubs and societies in collaboration with Scottish Student Sport (SSS).
- Managing budgets and mitigating financial risks as an active member of the Finance & Risk Committee.
- Organizing university-wide student events and wellness campaigns, including mental health initiatives in collaboration with Napier's Wellbeing Team.
- Partnering with external organizations such as ASH Scotland for anti-smoking awareness and Engage Fitness for

student fitness boot camps.

- Contributing to risk assessment and event safety planning, ensuring student well-being during all activities.

- Representing student interests in university forums, working to enhance campus life through inclusive extracurricular programming.

This leadership role enhanced my skills in event management, stakeholder engagement, budgeting, public speaking, and student advocacy in a multicultural academic environment.

Projects

61 Days

Campus Wellness Campaign

Vice President – Sports & Societies Edinburgh Napier
University Students' Association | Jun 2020 – Jul 2021

Led a campus-wide wellness campaign to support student mental and physical health during the COVID-19 pandemic.

- Collaborated with ASH Scotland to deliver an anti-smoking campaign, including digital resources and peer engagement.

- Organized fitness bootcamps with Engage Fitness, encouraging student activity through online and in-person sessions.

- Partnered with the Wellbeing Team to run stress management workshops and mental health awareness events during high-pressure academic periods.

- Worked with Scottish Student Sport (SSS) to implement safe return-to-play protocols for sports clubs, ensuring student safety and compliance.

- Engaged 500+ students across three campuses, boosting participation in societies and promoting a supportive student environment.
