Senior Business Development, Presales & Bid Management Leader | Strategic Deal Support | Sales Enablement

Accomplished professional with 22+ years of experience driving presales strategy, bid management, and end-to-end proposal development across IT, Healthcare, BFSI, Telecom, Retail, Manufacturing, and Government sectors. Adept at managing complex, multi-million-dollar pursuits across North America, APAC, EMEA, and India.

Profile Summary

- Proven expertise in leading the **full bid lifecycle** - opportunity qualification, RFI/RFP analysis, content creation, win theme development, solution alignment and bid governance.
- Skilled in **orchestrating high-impact proposals** by collaborating with cross-functional teams (sales, delivery, solution architects, finance, and legal) to ensure quality, compliance, and competitiveness.
- Track record of supporting \$20M+ deal closures and managing pipelines exceeding \$10M** through structured bid planning, strategic storytelling and client-focused value propositions.
- Proficient in **Salesforce, HubSpot, LinkedIn Sales Navigator, and bid tools**; experienced in leveraging automation, analytics, and emerging tech (AI, RPA, Blockchain) to enhance proposal outcomes.
- Strong leadership in **mentoring presales teams**, standardizing bid processes, and improving win rates through proposal best practices.
- Currently pursuing **APMP Bid/Proposal Foundation Certification (2025)** as part of a continuous learning mindset.

WORK EXPERIENCE

Startek, Mumbai | Inside Sales Manager (Hybrid)

Oct 2023 – May 2025

As presales and bid management specialist, leading high-value proposals and cross-functional collaboration to drive B2B revenue growth for AI-driven CX solutions (CCaaS, Generative AI, Conversational AI and automation).

- Go-to-Market & Deal Enablement** - Support go-to-market efforts by qualifying leads, preparing bid-ready documentation, and shaping compelling proposals aligned with business objectives.
- AI-Powered Solution Positioning** - Leverage expertise in CX technologies to position Startek's automation and AI offerings effectively in competitive sales pursuits.
- Stakeholder Engagement** - Act as a key liaison between internal teams and external stakeholders to ensure proposal accuracy, compliance, and timely delivery.
- Bid & Proposal Management** - Lead end-to-end bid processes including RFP/RFI analysis, proposal content development, solution alignment, and pricing coordination for enterprise opportunities in the U.S. market.
- Presales Strategy** - Collaborate with sales, solutioning, and delivery teams to craft tailored value propositions, technical responses, and executive summaries that resonate with client needs.
- Proposal Success Metrics** - Focused on improving win rates and pipeline velocity through process optimization, content reusability, and strategic bid qualification.

Accomplishment - Managing a \$5M+ qualified bid pipeline, with an active roadmap to expand to \$7M+ by FY 2025–26 through targeted RFP responses and presales initiatives.

Infinx Healthcare, Mumbai | Business Development Manager (Hybrid)
