 - ✅ **Soft Skills:** Team collaboration, problem-solving, adaptability, continuous learning
-

Professional Experience

Jr. Software Developer

Zestminds Technology Pvt. Ltd., Mohali (*May 2023 – Present*) ~2 years

- Developed and maintained scalable web applications using **Laravel, PHP, Node.js, HTML, CSS, and JavaScript**.
 - Optimized database queries in **MySQL**, improving application efficiency.
 - Integrated **AJAX and RESTful APIs** for seamless, dynamic user experiences.
 - Worked closely with designers and backend teams to create user-friendly interfaces.
 - Implemented best security practices to ensure robust web applications.
 - Contributed to multiple projects, delivering innovative and high-performing solutions.
-

Training & Certifications

Software Development Training

Jspider Software Development, Bangalore (July 2022 – April 2023) ~10 Months

- Hands-on training in **Laravel, Java, JavaScript, and MySQL** through real-world projects.
- Developed REST APIs and participated in Agile software development practices.
- Worked on practical assignments simulating industry-based problem-solving.

Projects

1. Digital Security Solution (<https://iraherdum.com/>)

Duration: 7 months

Industry: Security

Technologies: Laravel, MySQL, HTML, CSS, JavaScript

- Designed and developed a **public safety digital security solution**.
- Created an intuitive user interface and robust backend logic for security features.

2. E-Commerce Website Development (<https://dintek.com.tw/>)

Duration: 12 months

Technologies: Laravel, MySQL, PHP, JavaScript, AJAX, jQuery (*Node.js used as backend*)

- Developed and optimized a **user-friendly e-commerce platform** with real-time data updates.
- Ensured **secure payment integration** and seamless shopping experiences.

3. Gaming Website Development (<https://betstream.casino/>)

Duration: 4+ months

Technologies: Laravel, MySQL, HTML, CSS

- Developed **high-performance gaming features** and **real-time data updates**.
 - Optimized **front-end and back-end performance** for seamless gameplay.
-

Education

🎓 **B.Tech in Computer Science and Technology**

PCST , RGPV Bhopal, Madhya Pradesh | **CGPA: 8.33** | **Year of Passing: 2022**
