

Shashwat Chatterjee

Customer Operations | Fulfillment | Inventory | Catalog & Category Management Professional

 shashwatchatterjee5@gmail.com  +91-7892661552  Bengaluru, India  linkedin.com/in/shashwatchatterjee1901

PROFILE

Operations and category management professional with 7+ years of experience in customer operations, sales, escalations, partner onboarding, inventory control, catalog management, fulfillment, and SLA compliance across e-commerce, travel, and retail industries. Proven ability to drive partner quality, resolve on-ground operational issues, and enhance service delivery through data-driven decision-making and structured SOP implementation. Skilled in vendor management, workflow optimization, cross-functional team leadership, and global operations management. Adept at thriving in fast-paced, high-growth environments and delivering scalable process improvements.

PROFESSIONAL EXPERIENCE

Headout Inc.

Team Lead - Customer & Demand/Reservation Fulfillment Operations

07/2023 – present | Bengaluru, India

- Lead a cross-functional team of 35–40 members across Fulfillment and Customer Experience.
- Improved UAE fulfillment rate from 75% to 99% by optimizing workflows and driving data-led decisions.
- Managed vendor operations across UAE, USA, APAC & Europe; set up dedicated communication channels to streamline issue resolution.
- Collaborated with Selenium, API, and Inventory teams to resolve automation and stock-related issues.
- Built Slack automations to trigger reminders for pending bookings and KPIs, boosting accountability and efficiency.
- Formed a specialized team to handle complex bookings, significantly reducing error rates.
- Enhanced the customer detail section on experience pages for better guest clarity and usability.
- Worked with the Fraud Analysis team to identify fraudulent patterns using fingerprint, name, and email data—cutting chargebacks by 30%.
- Oversaw last-mile delivery for major international events, including Formula 1 ticket distribution.
- Maintained 99% booking accuracy through SOP-driven audits and process controls.
- Developed RCA frameworks to address systemic gaps and improve financial reconciliation.

Senior Associate - Customer Operations

07/2022 – 06/2023 | Bengaluru, India

- Delivered 99% accuracy across 450+ customer support cases daily through empathetic and solution-oriented communication.
- Partnered with CX, product, and tech teams to onboard new B2B clients, driving successful activations with minimal handholding.
- Improved case resolution workflows and collaborated on SLA and process improvements across markets.
- Mentored 15+ new team members, supporting faster ramp-up and team integration.

Associate - Customer Operations

06/2021 – 06/2022 | Bengaluru, India

- Resolved 200+ guest support tickets daily, maintaining high standards in SLA and customer satisfaction.
- Identified 20+ monthly process improvement opportunities, increasing team efficiency and service quality.

VH Innerwear - Aditya Birla Fashion and Retail Ltd.

09/2019 – 04/2021 | Bengaluru, India

Retail Store Manager

- Managed operations and team performance of a high-revenue store (\$10M+ annually), focusing on customer relationship building and team engagement.
- Oversaw cluster operations for 15 stores; led staffing, team training, and performance reviews.
- Executed omnichannel retail strategies and collaborated with logistics to ensure fulfillment excellence.

- Directed daily store operations, delivering \$20M+ in revenue, and managing inventory, sales, and customer experience.
- Led customer feedback initiatives and improved retention and repeat business rates.
- Supervised store staff, conducted training, and drove omnichannel success.
