PERSONAL STATEMENT

Versatile and results-driven operations professional with over 8.5 years of experience managing corporate and leisure travel services. Proven track record of leading high-performing teams, building strong client relationships, and consistently achieving key performance indicators (KPIs) such as SLA compliance, quality standards, AHT, and productivity targets. As an Assistant Manager, I bring a balanced approach to operational leadership—focused on team development, client satisfaction, and continuous improvement. Adept at identifying process inefficiencies and implementing automation solutions to streamline workflows, reduce costs, and enhance service delivery. Committed to driving operational excellence through strategic thinking, data-driven decisions, and a client-first mindset.

EXCEL TRAVEL(YMCA)

Designation: Executive (Trainee)

Dec2016-Jun2017

- 6-month experience in Excel travel agency in training session with YMCA (Certification from YMCA)

PROJECTS

- **Refund Tracker Project (CWT)** – Aim was to process all pending tickets where no request was generated by the branch or Customer for Refund – **Successful (Become the most revenue generating project for CWT saved around INR 8 crores in 2 years)**
- **Email Automation Project on BSP Chasers** – Aim was to reduce manual work by aligning automation on chasing the BSP refund application through email with the airline – **Successful we saved 2 FTE cost to the company equal to financial saving of 75K USD on yearly basis.**
- **Wings Invoicing Automation project** – Aim was to create a sheet(excel) which can help user to get all invoicing details (Code, currency, printer) by one command – **Successful (Reduce our 60% of external error for wings after this implementation).**
- **Airline Master Tax Sheet Project** – Aim was to reduce ADM's for non ref and partial taxes – **Successful (Saved more than 60% ADM's as compare to last 2 year)**
