

Sobitdeep Singh (Software Developer)

Masters of Computer Applications

DOB: 22 June 1999

Mobile: (+91)6284136388

Current Address: New Delhi

Specialization: Java Full stack Developer

LinkedIn: www.linkedin.com/in/sobitdeep-singh-26b062220

mailto: sobitsingh136@gmail.com

Introduction:

My proficiency in Spring Boot, Java allows me to streamline the development process, creating scalable and high-performance applications with ease. I possess a strong command over Java programming language, enabling me to implement complex business logic and algorithms efficiently. Additionally, my expertise extends to MySQL, where I have hands-on experience in designing and optimizing database schemas, ensuring data integrity and performance.

Skills:

Java | C | C++ | DBMS | RDBMS | Hibernate | CSS | MongoDB | Postman | Spring Boot | Spring Core | JavaScript | Microservices | SQL | JDBC | Spring JDBC | Spring MVC | React | JPA | REST API | API Integration | DB2 | Deployment Technologies | Docker | Kubernetes | Master OpenShift | Jenkins | Git | Frontend | Backend | Spring Framework.

Experience: Tata Consultancy Services Ltd, New Delhi - Software Developer (July 2022 - PRESENT)

- Developed and maintained backend systems for various web applications using Java, Postman, Spring Boot, DB2.
- Collaborated with cross-functional teams to deliver high-quality, reusable software solutions.
- Contributed to identifying dependencies and developing design documents for testing
- Implemented RESTful APIs and tested API endpoints using tools like Postman.
- Built and deployed applications on Spring boot platform. Maintenance of already deployed Struts project struts.

EDUCATION:

Masters of Computer Application (MCA)	July 2020 - July 2022	Guru Nanak Dev University
Bachelor of Computer Application (BCA)	July 2017 - July 2020	Guru Nanak Dev University

Projects:

- Development of Passport 2.0 and maintenance of Passport 1.0 in TATA Consultancy Services Ltd.
- Development of Loblaw's Canada Project in TATA Consultancy Services Ltd.
- Development of E-commerce Project with Spring boot, Java, SQL, JDBC, Rest API, Postman.
- Development of Calculator Project with Spring boot, Java, My SQL, JDBC, Rest API, Postman.

Achievements:

- Resolved all the programs in CodingBat, LeetCode, Test Gorilla and Hackerrank Java program assignments.
- Won 6 times "on spot award" and 4 times best team award in Tcs.

Certifications:

- Java Database Access with Hibernate | LinkedIn Learning • Java Persistence API (JPA): 1 The Basics | LinkedIn Learning
- Spring: Framework in Depth | LinkedIn Learning • Oracle Database 12c: Basic SQL | LinkedIn Learning.
