PROFILE SUMMARY

- Seasoned Area Sales Manager at United Breweries Ltd. – Heineken**, with a strong track record in institutional sales and brand growth across competitive beverage markets.
- Strategic brand-builder**, adept at managing multi-SKU portfolios and executing ATL/BTL campaigns to drive consumer engagement and elevate brand visibility.
- Data-driven decision maker**, leveraging advanced sales analytics and CRM insights to identify market trends, optimize distribution, and boost revenue trajectory.
- High-impact leader**, experienced in guiding and developing sales teams, enhancing onboarding, and fostering cross-functional collaboration to exceed performance benchmarks.
- Proven growth driver**, recognized for achieving record-high sales volumes (FY 21–22) and increasing super-premium segment share from 20.7% to 26.1% through targeted strategies.
- P&L and Business Turnaround**: Demonstrated expertise in managing business operations and achieving pre-planned financial targets. Skilled in identifying opportunities for improvement and implementing business turnaround strategies.
- Expert in stakeholder relations**, skilled at negotiating contracts, expanding channel networks, and building partnerships to maximize business reach and customer loyalty.
- Consumer-centric innovator**, successfully leading high-profile events and promotional activations to deepen brand experience and support long-term market expansion.

WORK EXPERIENCE

Sep'2020 to Oct'2022: Area Sales Manager, Institutional Sales at United Breweries Ltd. - Heineken, Goa

Role:

- Managed ~400 key accounts in Goa, India's highest per capita beer consumption market, driving growth and strategic partnerships.
- Led a team of 2 direct and 6 indirect reportees while overseeing 2 distributors operating across 4 offices.
- Delivered INR ~20 Cr in annual revenue and efficiently managed a marketing and operational budget of INR 6 Cr.
- Handled a diverse portfolio of 8 brands and 20 SKUs, consistently achieving sales volume and distribution targets.
- Planned and executed ATL & BTL campaigns in collaboration with brand teams (Kingfisher, Heineken, Ultra) and trade marketing.
- Drafted 200+ partner contracts and ensured timely claims settlement and compliance.
- On boarded new partners and expanded channel reach to support sustained market penetration.
- Drove a historic sales performance in FY21–22 and contributed to the market being ranked second-best nationally in Q3 FY20–21.
- Spearheaded 100+ annual high-impact events (e.g., Sunburn, Krunk, INCA, Goa Carnival), enhancing brand visibility and sales.
- Increased super premium segment volume salience from 20.7% to 26.1% through targeted initiatives and strategic execution.
- Fostered strong relationships with key accounts, leading to improvement in customer retention rates and long-term partnerships.

Jul'2019 to Aug'2020: Management Trainee at United Breweries Ltd. - Heineken, Multiple Locations

Role:

- Collaborated with agencies and vendors to execute brand promotions, activations, and high-impact launch events across key regions.
- Played a key role in launching KF Storm in Delhi and Rajasthan and improving Ultra Max distribution in Western UP, boosting market reach.
- Enhanced brand salience and visibility through targeted marketing strategies and operational improvements.
- Supported sales teams in achieving KPIs by providing actionable insights and resolving distribution challenges.

INTERNSHIP

Apr'2018 to May'2018: Supply Chain Management Intern at CEAT Limited, Mumbai

Role:

- Analyzed slow-moving inventory across 3 business units, covering 800+ SKUs and

30+ product categories.

- Investigated supply chain inefficiencies contributing to inventory buildup and provided actionable insights.
- Recommended process improvements projected to reduce slow-moving inventory by ~INR 2 Cr.
- Contributed to the development of inventory management best practices, driving operational excellence.

May'2016 to Jul'2016: Market Research Intern at Mordor Intelligence, Hyderabad

Role:

- Conducting market research to identify growth opportunities and market trends in various industries.
- Analyzing sales data and market reports to provide insights for strategic decision-making.
- Collaborating with research teams to develop comprehensive reports on B2B markets.
- Writing articles and reports on market trends, competitive analysis, and industry developments.
