EXPERIENCE

Associate Software Engineer Intern | (INNOWORQ INFOTECH Pvt.Ltd)

December-24 - Present

- Engineered a full-stack e-commerce platform utilizing React, Spring Boot, and JWT-based authentication, resulting in a reduced cart abandonment rate of 15% and improved user login security.
 - Worked with 3+ cross-functional teams to collect requirements, define technical specifications, and ensure alignment with project objectives.
 - Led Agile practices, conducting daily stand-ups and sprint planning, resulting in 95% on-time feature delivery and boosted team morale.
-

SKILLS

- **Frontend:** React.js, Redux, Tailwind CSS, Bootstrap, Axios, HTML5/CSS3.
 - **Backend:** Java (Spring Boot), OOPS(C++), REST APIs.
 - **Developer Tools:** Git, GitHub, Bitbucket, Jira, Postman, Swagger, Figma.
 - **Databases:** MySQL, MongoDB.
 - **Cloud & Devops:** AWS, Netlify, Azure, Docker.
-

PROJECTS

E-Shop Hub | [GITHUB REPOSITORY](#)

- Adopted Agile methodologies and daily standups, delivering 10 new features and resolving 15 bugs per sprint, allowing the product team to release new versions twice as quickly.
- Created an interactive React frontend for a smooth shopping experience, supported by a powerful Spring Boot backend managing orders, payments, and user information.
- Integrated Agile methodologies into the software development lifecycle, facilitating iterative development cycles and improving team velocity by 25% by implementing daily standups.

DineEase – Online Food Hub | [GITHUB REPOSITORY](#)

- Engineered a responsive React frontend with a streamlined shopping cart and secure Spring Boot backend to process 500+ orders daily, handling payments and user data with 99.9% uptime.
 - Enhanced checkout and delivery partner management, improving operational efficiency by 25%.
 - Integrated MySQL for product, user, and order management, optimizing database queries to increase performance by 35%.
-

EDUCATION

INMANTEC INSTITUTE

Bachelor of Computer Applications: (CGPA-7.6)

Ghaziabad, India

September-2020 – October-2023

CERTIFICATES

- Java Full-Stack, Advance Excel (Ducat) | [CERTIFICATE](#)
- Web Development (Udemy) | [CERTIFICATE](#)
- Career Essentials in Generative AI (Microsoft) | [CERTIFICATE](#)
- Advance Java Programming (Great Learning) | [CERTIFICATE](#)
- SQL, MySQL (Hacker Rank) | AWS- Cloud Computing (Udemy) [CERTIFICATE](#)
